

mato
book of grapes

in dedication to all the great winemakers
and thirsty wine lovers in the world

our way of wine...

1 | All You Can Taste

Most wine tastings are organized with fixed timings and portion. at mato, we want to change that and give you 100% say on when you want to taste great wines. And you get to top up on those that you like. Enjoy a monthly changing selection of wines sourced locally and direct from source - All You Can Taste style.

2 | By The Glass for every wine

At Mato, we believe wine should be an adventure. For any bottle without a glass price, just divide the bottle cost by five to enjoy the listed wine by the glass. It's that simple. Enjoy our selection of over 100 wines by the glass.

Note: Our team reserves the final right of discretion on WBTG availabilities.

3 | Grape First

We call our wine list the Book of Grapes as we section our 150+ selections by varietal / style preferences. Simply, if you like Chardonnay, we propose at least half a dozen of alternative grape varieties delivering similar flavours and textures for your exploration.

all you can taste

piedmont - the burgundy of italy!

Experience the ethereal aromatics and dramatic landscapes of Piedmont through this curated exploration of Nebbiolo’s purest terroirs. From the cool, alpine terraces of Carema and the volcanic soils of Boca and Sizzano to the rolling limestone hills of the Langhe, this flight highlights the grape’s unmatched sensitivity to place. Discover the high-altitude tension and mineral vibrancy of Alto Piemonte, alongside the silky, perfumed elegance of Barbaresco’s historic crus. We also journey through the defining communes of Barolo—from the floral delicacy of Verduno to the structured, commanding power of Serralunga and Monforte.
